

West Des Moines Human Services

Holiday Toy Drive

Brighten a life this holiday season by donating a toy to a child in need! West Des Moines Human Services provides necessary assistance to low-income households in the community. They rely on donations and the generosity of sponsors to provide holiday assistance. The families they serve are surviving on limited incomes and struggle to afford the most basic necessities. Most are faced with hardships that make it difficult to enjoy the holiday season. **YOU** can make a difference! Please consider donating a **new, unwrapped gift** to their annual toy drive.
