DENTAL PLAN ADMINISTRATION

The administration of the Dental Plan is under the supervision of the Plan Administrator, The City of West Des Moines. The Human Resource Director of The City of West Des Moines is the person who acts on behalf of the Plan Administrator. The principal duty of the Plan Administrator is to see that the terms of the Dental Plan are carried out in accordance with its terms, for the exclusive benefit of persons entitled to participate in the Plan. The Company bears all costs of administering the Plan and for paying all claims.

Under a contract with Delta Dental, the Plan Administrator has delegated its authority to Delta Dental to act as the Claims Administrator for the Dental Plan and to determine the initial eligibility for and the amount of any benefits payable under the Dental Plan and for prescribing the procedures to be followed and the forms to be used by you pursuant to the Dental Plan. We have further delegated to Delta Dental, as the Claims Administrator, the authority to require you to furnish it with such information as it determines is necessary for the proper administration of the Dental Plan. If you have general questions regarding the Dental Plan, please contact the Plan Administrator. However, if you have specific questions concerning eligibility for and/or the amount of any benefits payable under the Dental Plan, please contact Delta Dental.

7 IMPORTANT INFORMATION

Delta Dental of Iowa is the Claims Administrator of your Delta Dental Premier Dental Plan. By encouraging preventive care, this dental program is designed to help contain dental costs. The key component of Delta Dental Premier program is its panel of *participating dentists*, hereafter referred to as Delta Dental dentists. You may seek care from almost any dentist you wish. However, there are advantages when you receive services from Delta Dental dentists.

Your payment responsibilities are also outlined in this section of your Summary Plan Description. How much you pay for covered services depends on the benefit category of the service you receive and the dentist you receive services from. It is most often to your financial advantage to receive services from a Delta Dental dentist.

WHAT YOU SHOULD KNOW ABOUT DELTA DENTAL DENTISTS

Delta Dental has contract relationships with Delta Dental dentists throughout the state. Delta Dental's contracts with dentists include payment arrangements that are made possible by its broad base of customers. Delta Dental uses different methods to determine payment arrangements. These payment arrangements usually result in savings. When you receive services from dentists who participate with Delta Dental of Iowa or any other Delta Dental Plan, all of the following statements are true:

- Delta Dental dentists agree to accept their local Delta Dental's payment arrangements, which may result in savings.
- Delta Dental dentists agree to file claims for you.
- Delta Dental settles claims directly with Delta Dental dentists. You are responsible for any deductible and coinsurance amounts you may owe. See UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS later in this section.
- Delta Dental dentists agree to handle the notification program for you, see THE NOTIFICATION PROGRAM section.

WHAT YOU SHOULD KNOW ABOUT DENTISTS WHO DO NOT PARTICIPATE WITH DELTA DENTAL

When you receive services from nonparticipating dentists, you will not receive any of the advantages of Delta Dental contracts with Delta Dental dentists. As a result, when you receive services from nonparticipating dentists, all of the following statements are true:

- Delta Dental does not have contract relationships with nonparticipating dentists and they do not agree to accept their local Delta Dental's payment arrangements. This means you are responsible for any difference between your nonparticipating dentist's covered charge and the Maximum Plan Allowance (Delta Allowance). See UNDERSTANDING PAYMENT VOCABULARY later in this section.
- Nonparticipating dentists are not responsible for filing your claims.
- Delta Dental settles claims with you, not nonparticipating dentists. You are responsible for paying your dentist in full, including any deductible, coinsurance and non-approved charges you may owe. See UNDERSTANDING PAYMENT VOCABULARY later in this section.
- Nonparticipating dentists do not agree to handle the notification program for you. See THE NOTIFICATION PROGRAM.
- Nonparticipating dentists may charge for "infection control," which includes the costs for services and supplies associated with sterilization procedures. You are responsible for any extra charges billed by a nonparticipating dentist for "infection control." (All dentists are legally required to follow certain guidelines to protect their patients and staff from exposure to infection. However, Delta Dental dentists incorporate these costs into their normal fees and do not charge an additional fee for "infection control.")

QUESTIONS DELTA DENTAL ASKS WHEN YOU RECEIVE DENTAL CARE

Even though a procedure may appear in a given section such as BENEFITS, you should note that before you are eligible to receive benefits, Delta Dental first answers all of the following questions:

Is the Procedure Dentally Necessary?

All of the following must be true for a procedure to be considered dentally necessary:

- The diagnosis is proper.
- The treatment is necessary to preserve or restore the form and the function of the tooth or teeth and the health of the gums, bone, and other tissues supporting the teeth.

Is the Procedure Dentally Appropriate?

All of the following must be true for a procedure to be considered dentally appropriate:

- The treatment is the most appropriate procedure for your individual circumstances.
- The treatment is consistent with and meets professionally recognized standards of dental care and complies with criteria adopted by Delta Dental.
- The treatment is not more costly than alternative procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. **If you receive alternative services other than the least costly, you are responsible for paying the difference.**

Is the Procedure Subject to Benefit Limitations?

Benefit limitations refer to amounts that are your liability based on the terms of the Dental Plan. Examples of benefit limitations include all of the following:

- Amounts for procedures that are not dentally necessary or dentally appropriate.
- Amounts for procedures that are not covered by this Summary Plan Description. See SERVICES NOT COVERED.
- Amounts for procedures that have limitations associated with them. For example, teeth cleaning is covered once every 6 consecutive months. More frequent teeth cleaning is not a benefit even if your dentist verifies that it is dentally necessary and dentally appropriate. See BENEFITS for a description of covered procedures and limitations associated with certain procedures.
- Amounts for procedures that have reached contract benefit maximums. See the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description.
- Any difference between the covered charge and the Maximum Plan Allowance (Delta Allowance). **Please note:** This only applies if you receive services from a nonparticipating dentist.

DELTA DENTAL'S PAYMENT POLICY

Delta Dental's policy is to send payment for treatment after it is completed—not before.

For example, Delta Dental will send payment for:

- a crown when it is seated.
- a fixed or removable prosthesis when it is inserted.
- a root canal when it is filled.

UNDERSTANDING PAYMENT VOCABULARY

Benefit Period

A benefit period is the same as a calendar year. It begins on the day your coverage goes into effect and starts over each January 1. This is true for as long as you have coverage.

The benefit period is important for calculating your deductible and benefit period maximum, if applicable.

Billed Charge

The billed charge is the amount a dentist bills for a specific dental procedure.

Covered Charge

The covered charge is the amount a dentist bills for a dental procedure *that is a benefit of your Dental Plan*.

Maximum Plan Allowance (Delta Allowance)

Maximum Plan Allowance is the amount which equals the lesser of the covered charge for a service, supply, or any dental procedure covered under the Dental Plan or an amount which Delta Dental establishes annually as its maximum allowable fee for the same service or supply.

For all dental procedures covered under the plan, the maximum allowable fee is established by Delta Dental of Iowa for a covered dental procedure that is dentally necessary and dentally appropriate. It is developed from various sources, such as contracts with dentists, input from Delta Dental dental consultants, the simplicity or complexity of the procedure, and the billed charge for the same procedures by dentists in Iowa.

For covered procedures received in Iowa from nonparticipating dentists, the maximum allowable fee is based on the median of charges billed for the same procedures by dentists in Iowa.

For services billed by dentists outside of Iowa, the maximum allowable fee is based on information from that state's Delta Dental Plan.

UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS

Deductible

A deductible is the fixed dollar amount you pay for covered services in a benefit period before benefits are available under this Dental Plan. This amount is shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description. **Please note:** The family deductible is reached from deductible amounts paid on behalf of any combination of members.

Coinsurance

Coinsurance is the amount, calculated using a fixed percentage, you pay each time you receive certain covered services. These amounts are shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description.

Coinsurance payments begin once you meet any applicable deductible amounts. Coinsurance is calculated off the Maximum Plan Allowance (Delta Allowance). In general, the percentage of coinsurance you pay depends on the benefit category of the service you receive.

Benefit Period Maximum

The benefit period maximum is the maximum benefit each member is eligible to receive for certain covered services in a benefit period. The benefit period maximum is reached from claims settled under this Summary Plan Description in a benefit period. This amount is shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description.

Services received from BENEFIT CATEGORY: STRAIGHTER TEETH are excluded from your benefit period maximum.

Lifetime Maximum

In a participant's or beneficiary's lifetime, total benefits are limited by dollar amount for BENEFIT CATEGORY: STRAIGHTER TEETH. This amount is shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description.

THE NOTIFICATION PROGRAM

This section explains the notification program you or your Delta Dental dentist should follow before you receive certain benefits available under this Dental Plan. This program is the checks and balances of your dental coverage. It helps:

- determine that services are dentally necessary and dentally appropriate;
- confirm the benefits of your Dental Plan.

THE APPROVAL

The purpose of the notification program is to help control the cost of your benefits — not to keep you from receiving dentally necessary and dentally appropriate treatment.

You should notify Delta Dental before you receive the following benefits:

Gum and Bone Diseases

High Cost Restorations

Delta Dental's review is based on the treatment plan submitted by your dentist.

THE TREATMENT PLAN

A treatment plan describes the treatment your dentist has recommended for you and helps Delta Dental determine if the procedure is a benefit of your Dental Plan as well as dentally necessary and dentally appropriate.

When to Submit a Treatment Plan

You will need to file a treatment plan only if your dentist is nonparticipating — Delta Dental dentists agree to file for you.

A complete treatment plan includes the plan of treatment and x-rays. Please send the x-rays within 15 working days of receipt of the proposed treatment plan.

Where to Send a Treatment Plan

Submit the proposed treatment plan, along with x-rays and supporting information to:

*Delta Dental of Iowa
P.O. Box 919
Ankeny, IA 50021-0919*

THE TREATMENT PLAN REVIEW

Once Delta Dental receives the treatment plan and proper documentation, Delta Dental will let you and your dentist know if the treatment plan is approved within 15 working days. Delta Dental will take one of the following three actions when they receive your treatment plan:

- *accept* it as submitted.
- *recommend an alternative benefit*. If Delta Dental asks you to receive an independent diagnosis from a dentist of Delta Dental's choice, Delta Dental will pay for the exam.
- *deny the treatment plan* because:
 - the procedure is not a benefit of this Dental Plan;
 - you did not receive an independent exam after Delta Dental asked you to; or
 - the procedure is not dentally necessary and dentally appropriate.

Appeal

If Delta Dental denies a treatment plan, you can resubmit it with additional documentation and ask Delta Dental, in writing, to reconsider. If necessary, Delta Dental will ask you to receive an independent diagnosis from an independent dentist of Delta Dental's choice—Delta Dental will pay for the exam.

Please note: Although Delta Dental may approve a treatment plan, neither Delta Dental nor this Dental Plan are necessarily liable for the actual treatment you receive from your dentist.

FILING CLAIMS

Once you receive dental services, Delta Dental needs to receive a claim to determine the amount of your benefits. The claim lets Delta Dental know the services you received, when you received them, and from which dentist. You will need to file a claim only when you use a nonparticipating dentist who does not agree to file a claim for you —Delta Dental dentists file for you.

WHEN TO FILE YOUR CLAIM

After you receive services, you should file a claim only if your dentist has not filed one for you. Delta Dental may disallow payment of a claim submitted more than 365 days after the date services were rendered.

You should file a claim only *after* the procedure is completely finished. Do not file for payment before a procedure is completed.

If you need a claim form or have any questions after reading this section, please call Delta Dental of Iowa or visit our website www.deltadentalia.com. For your convenience, we have listed our toll-free number on the back cover of this Summary Plan Description. If you must file your own claim, send it to the following address:

*Delta Dental of Iowa
P.O. Box 919
Ankeny, IA 50021-0919*

FILING WHEN YOU HAVE OTHER COVERAGE COORDINATION OF BENEFITS

You may have other insurance or coverage that provides the same or similar benefit(s) as this Dental Plan. If so, Delta Dental will work with your other insurance company or carrier or health plan. The benefits payable under this Dental Plan when combined with the benefits paid under your other coverage will not be more than 100 percent of either Delta Dental's payment arrangement amount or the other carrier's or health plan's payment arrangement amount.

What You Should Do

When you receive services, you need to let Delta Dental know that you have other coverage. Other coverage includes: group insurance, other group benefit plans (such as HMOs, PPOs, and self-insured programs); Medicare or other governmental benefits; and the medical benefits coverage in your automobile insurance (whether issued on a fault or no-fault basis). To help Delta Dental coordinate your benefits, you should:

- inform your dentist by giving him or her information about your other coverage at the time you receive services. Your dentist will pass the information on to Delta Dental when the claim is filed.
- indicate that you have other coverage when you fill out a claim form by completing the appropriate boxes on the form. Delta Dental will contact you if it needs any additional information.

You must cooperate with Delta Dental and provide requested information about your other coverage. If you do not give Delta Dental necessary information, your claims will be denied.

What Delta Dental Will Do

There are certain rules Delta Dental follows to help determine which coverage pays first when you have other insurance or coverage that provides the same or similar benefits as this Dental Plan. Here are some of the rules:

- The coverage *without coordination of benefits* pays first when both coverages are through a group sponsor such as an employer, but one coverage has coordination of benefits and one does not.
- The dental benefits of your *auto coverage* will pay before this coverage if the auto coverage does not have a coordination of benefits provision.
- The coverage which you have as *an employee or plan member* participant pays before the coverage which you have as a plan beneficiary spouse or dependent child.
- The coverage you have as *the result of your active employment* pays before coverage you hold as a retiree or under which you are not actively employed.
- The coverage with the *earliest continuous effective date* pays first when none of the above rules apply.

(If none of the guidelines just mentioned apply to your situation, Delta Dental will use the Coordination of Benefits (COB) guidelines adopted by the Iowa Insurance Division to determine our payment to you.)

What You Should Know About Beneficiaries Who Are Dependent Children

To coordinate benefits for a dependent child the following rules apply. For a child who is:

- *covered by both parents* who are not separated or divorced or if they are, neither parent has primary physical custody, the coverage of the parent whose birthday occurs first in a calendar year pays first. If another carrier does not use this rule, then the other plan will determine which coverage pays first.
- *covered by separated or divorced parents* and a court decree says which parent has financial or dental insurance responsibility, that parent's coverage pays first.
- *covered by separated or divorced parents* and a court decree does not stipulate which parent has financial or dental insurance responsibility, then the coverage of the parent with custody pays first. The payment order for this dependent child is as follows: custodial parent, spouse of custodial parent, other parent, and spouse of other parent.

If none of these rules apply, the parent's coverage with the earliest continuous effective date pays first.

DENIED CLAIMS AND APPEALS PROCEDURES

CLAIM DENIALS

Pursuant to our contract with Delta Dental, we have delegated the responsibility for evaluating all claims for reimbursement to Delta Dental as the Claims Administrator. Delta Dental will decide your claim within a reasonable time not longer than 30 days after it is received. This time period may be extended, however, where a claim is incomplete or there are other circumstances beyond Delta Dental's control. In such a case, Delta Dental will provide you with written notice of any required extension in the time for them to respond, including the reasons for such an extension and information on the date on which a decision is expected to be made. If an extension is necessary because a claim is incomplete, the written notice to you will also request that you provide Delta Dental with certain additional information within 45 days. The time period for Delta Dental to respond to your claim can be extended for an additional 15 days from the date on which Delta Dental receives the requested additional information.

Delta Dental may obtain the advice of independent dentists or require such other evidence as it deems necessary to decide your claim.

If Delta Dental denies your claim, in whole or in part, you will be furnished with a written notice setting forth the following information:

1. the specific reasons for the denial;
2. reference to the specific provisions of the Dental Plan on which the denial is based;
3. a description of any additional material or information necessary for you to complete your claim and an explanation of why such material or information is necessary; and
4. appropriate information as to the steps to be taken if you wish to appeal the decision of Delta Dental, including your right to submit written comments and have them considered, your right to review (on request and at no charge) relevant documents and other information.

APPEALING DENIED CLAIMS

If you disagree with Delta Dental's reasons for not paying all or part of your claim and think that the service should be covered under this Dental Plan, you or your representative can appeal by asking for a full and fair review of the claim. To file for a review, you must submit a request in writing within 180 days of receiving Delta Dental's notice that it is denying your claim. If you do not submit a request for review within this time period, you will lose your right to review and you will also lose your right to file suit in court, as you will have failed to exhaust your internal administrative review rights, which is generally a prerequisite to bringing suit.

Your request for a review should state the reasons why you feel your claim should not have been denied. It should include any additional facts and/or documents that you feel support your claim. You may also ask additional questions and make written comments, and you may review (on request and at no charge) all documents, records, and other information relevant to your claim and its review. Delta Dental will review all written comments that you submit with your request. Upon request, you can review the records of Delta Dental that are relevant to your claim from 8 a.m. to 4:30 p.m., Central Time, Monday through Friday, at Delta Dental's Ankeny, Iowa location.

Since Delta Dental maintains many of these records in electronic form, please call or write Delta Dental in advance so they can have paper copies of these records available for your review.

Send your request to:

*Delta Dental of Iowa
P.O.Box 919
Ankeny, IA 50021-0919
or call 1-800-544-0718*

Delta Dental will review your request and decide your appeal within a reasonable time not longer than 60 days after it is submitted and will notify you of its decision in writing. The individual who decides your appeal will not be the same individual who decided your initial claim denial and will not be that person's subordinate. Delta Dental may secure the advice of independent dentists or others and require such evidence as it deems necessary to decide your appeal, except that any dental or other expert consulted in connection with your appeal will be different from any expert consulted in connection with your initial claim. The identity of any dental or other expert consulted in connection with your appeal will be provided. If the decision on review affirms the initial denial of your claim, you will be given a notice of denial on review that provides the following information:

1. the specific reason(s) for the denial;
2. the specific provisions of the Dental Plan on which the decision is based;
3. a statement of your right to review (on request and at no charge) relevant documents and other information;
4. if Delta Dental relied on an "internal rule, guideline, protocol, or other similar criterion" in making the decision, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other similar criterion will be provided free of charge to you upon request.

ELIGIBILITY

COVERAGE ELIGIBILITY

You are eligible to be a participant in the Dental Plan if you are an employee who has met your employer's eligibility requirements or if you are either the spouse or an eligible dependent child of an employee who has met the employer's eligibility requirements.

Dependent means:

- Your Spouse, if your spouse:
 - is a person to whom you are legally married;
 - is not in the Armed Forces of any country; and
 - is not covered under this plan as a Member.
- Your natural or legally adopted children, if your child:
 - is not married; and
 - is not in the Armed Forces of any country; and
 - is not covered under this plan as a Member; and
 - is less than 19 years of age

A newly adopted child will be considered a Dependent child from the date of Placement with you for the purpose of adoption or the date of adoption, whichever is earlier. The child will continue to be a Dependent child unless the Placement is disrupted prior to legal adoptions and the child is removed from Placement.

- Your stepchild, if that child:
 - meets the requirements above; and
 - receives principal support from you.

In the case of a stepchild, the principal support requirement will be waived if a Member or Member's covered spouse is assigned responsibility for medical expenses or for providing medical coverage for a child in a divorce decree.

- Your foster child, if that child:
 - meets the requirements above; and
 - lives with you; and
 - receives principal support from you; and
 - is approved in writing by the Plan Administrator as a Dependent child.

- The child is totally and permanently disabled, either physically or mentally. If the dependent child is permanently disabled, the disability must have existed before the child was age 25 or while the child was a full-time student, and the dependent must have had continuous qualifying dental coverage without a break of 63 days or more since the child turned age 25 or while the child was a full-time student.
- Your child 19 years but less than 24 years of age who otherwise qualifies above, if your child receives principal support from you and is a Full-Time Student, as defined.

Your unmarried child 19 years but less than 24 years of age who otherwise qualifies above, if your child qualified above and was covered by this plan the date before his or her 19th birthday. This child may continue coverage until the earliest of the date that child:

- marries; or
- ceases to be a resident of Iowa; or
- reaches 25 years of age.

Such a Dependent will cease to be considered a Dependent on the plan anniversary following the earliest of the above events.

Your unmarried child 19 years of age or older may continue coverage if the child qualified above and was covered by this plan the date before his or her 24th birthday, if that child is a Full-Time Student, as defined.

ELIGIBILITY REQUIREMENTS

Each eligible employee who began work before the effective date of this contract is eligible to enroll for benefits on the effective date of this contract. New, eligible employees may enroll for benefits within 30 calendar days following the date of employment. The application must be received by us no later than the second monthly group statement following eligibility.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)

If you have a dependent child and we receive a Medical Child Support Order recognizing the child's right to enroll in this Dental Plan and /or any other benefit plan, we will promptly notify both you and the dependent child that the order has been received. We also will inform you and the dependent child of our procedures for determining whether the order is a Qualified Medical Child Support Order.

To be a Qualified Medical Child Support Order, the Medical Child Support Order must clearly specify the following:

- the participant's name and last known mailing address, if any;
- the name and mailing address of the dependent child specified in the court order;
- a reasonable description of the type of coverage to be provided to the dependent child or the manner in which the type of coverage will be determined;
- the period to which the order applies; and
- the name of each benefit plan to which the order applies.

Also, a Qualified Medical Child Support Order cannot require that a benefit plan provide any type or form of benefit or option not otherwise provided under the plan, except as necessary to meet the requirements of Iowa Code Chapter 252E (1995) or Social Security Act Section 1908 with respect to group plans.

Within a reasonable time after receiving the order, we will decide whether the court order is a Qualified Medical Child Support Order and will notify you and the dependent child of that determination.

Once we decide that a court order is a Qualified Medical Child Support Order, the order is binding on both us and this Dental Plan, meaning that the dependent child is eligible to enroll under the applicable terms and conditions of this Dental Plan as well as our standard enrollment guidelines. We must allow enrollment of the dependent child regardless of any enrollment season restrictions that normally apply. Also, we must forward a copy of the order to Delta Dental and ask that they enroll the dependent child in this Dental Plan.

Within 60 days of our receipt of either the order or the application, whichever comes first, we will decide whether the dependent child is eligible for enrollment in this Dental Plan and will notify Delta Dental of the dependent child's eligibility status. If we offer more than one Dental Plan, we will enroll the dependent child in the same plan in which you are enrolled or a selected plan that is accessible to the dependent.

The dependent child's eligibility for and enrollment in this Dental Plan will be governed by all applicable terms and conditions, including, but not limited to, eligibility standards. If eligible, the dependent child will receive the same coverage that you do and will be allowed to enroll immediately regardless of normal enrollment procedures. We will withhold your share, if any, of the dependent child's contributions from your compensation and forward this amount to Delta Dental.

Within 30 days of receiving the order, we must tell both you and the dependent child that:

- the dependent child has been enrolled in a benefit plan; or
- the dependent child is ineligible for enrollment and why; or
- the order has been forwarded to Delta Dental without a determination of the dependent child's eligibility.

If the dependent child enrolls in this Dental Plan and /or any other benefit plan, we will provide all the following information to you and the dependent child:

- The name of the claims administrator(s) for the respective benefit plan(s).
- The dependent child's effective date(s) of coverage.
- The name of the benefit plan(s) and any other relevant identifying information (e.g. an account number.)
- The type of benefit plan(s) under which the dependent child has been enrolled, including whether dental, vision, office visits, and prescription drugs are covered services; and

- A brief description of the applicable deductibles, coinsurance, waiting periods for preexisting conditions, and other significant terms or conditions materially affecting the benefits or coverage.

The dependent child may designate another person, such as a custodial parent or legal guardian, to receive copies of explanations of benefits, checks, and other materials.

If we decide that the order is *not* a Qualified Medical Child Support Order, each dependent child specified in the order is entitled to enroll in this Dental Plan and/or any other benefit plan may submit a written appeal to us. Within 30 days of receiving the appeal, we will respond in writing.

We may not revoke enrollment or eliminate coverage for a dependent child unless we have received satisfactory written evidence of any of the following conditions:

- The court or administrative order requiring coverage in a benefit plan is no longer in effect.
- The dependent's eligibility for, or enrollment in, a comparable dental plan that takes effect on or before the date the dependent's enrollment in this Dental Plan terminates.
- Our elimination of dependent child coverage for all employees.

We are not required to provide benefits under this Dental Plan or maintain coverage for the dependent child if:

- You are no longer participating in this Dental Plan or paying premiums because we no longer owe you compensation; or
- You have terminated employment with us and have not elected to continue coverage.

WHEN BENEFITS BEGIN

Your rights to receive benefits under this Dental Plan begin on your effective date. If you have just started a new job, check with us or your group sponsor to find out your effective date.

Please note: Before you receive benefits under this Dental Plan, you have agreed on the application for benefits (or in documents kept by Delta Dental or us) to release any necessary information requested about you so Delta Dental can process claims for benefits. You must allow any dentist or his or her employee to give Delta Dental information about a treatment or condition. If Delta Dental does

not receive the information requested, or if you withhold information in your application, your benefits may be denied.

If you fraudulently use the identification card or misrepresent or conceal material facts in your application, then Delta Dental may terminate your benefits.

WHEN BENEFITS END

Your eligibility for benefits under this Dental Plan will terminate at the end of the month for any of these reasons:

- You become ineligible for coverage under this Dental Plan. See *Eligibility* earlier in this section.
- You become unemployed. Termination of your coverage for this reason applies only if you receive your coverage through us.
- We will decide to discontinue coverage or replace this coverage.
- Delta Dental decides to terminate this Dental Plan by giving written notice to us 90 days prior to termination.

Your coverage will end if any of the following occurs:

- You use your dental benefits fraudulently or you fraudulently misrepresent or conceal material facts in your application. If this happens, Delta Dental will recover any claim payments made.
- Delta Dental will not pay claims if we fail to make payment to Delta Dental when due.

Authority to Terminate, Amend, or Modify

We have the authority to *terminate, amend, or modify the benefits and coverage described in this Summary Plan Description at any time*. Any amendment or modification will be in writing. *If this Dental Plan is terminated, you may not receive benefits.*

CONTINUED COVERAGE

There are some federal and state laws that may affect your dental benefits. These laws apply to continuing your coverage when you are no longer eligible for this Dental Plan.

Coverage Continuation Under Federal Law — COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) applies to employers with 20 or more employees. COBRA entitles you and your eligible dependents to a continuation of coverage under this Dental Plan if coverage is lost due to

any of the following qualifying events:

- Death of the employee covered under this Dental Plan.
- Termination of employment for reasons other than gross misconduct, or if your work hours are reduced to the point that you are no longer eligible for coverage.
- Divorce or legal separation.
- The employee covered under this becomes eligible for Medicare.
- Dependent children are no longer considered dependent by our eligibility rules.
- The employer from whom the covered employee retired files bankruptcy under federal law.

Please note: You or your eligible dependents are responsible for notifying us of a dissolution of marriage, legal separation or a child losing dependent status.

If you wish to continue your benefits, you must complete an election form and submit it to us within 60 days of the later of the date:

- you are no longer covered; or
- you are notified of the right to elect COBRA continuation coverage.

You will be responsible for paying any premiums to us for the continuation of benefits under this Dental Plan. Depending on how you qualify, you may continue your coverage for up to 18 or 36 months.

If during the period of COBRA coverage, a child is born to you or placed with you for adoption, the child can be covered under COBRA coverage and can have election rights of his or her own.

If you or any other family member who has elected COBRA coverage is determined to be disabled under the Social Security Act during the first 60 days of continuation coverage, your COBRA coverage may continue for up to 29 months. The 29-month period will apply to you and your spouse and/or eligible dependent child(ren) who elected COBRA coverage. You must provide notice of the disability determination to us within 60 days after the determination.

If you lose your coverage, contact us. We will help you with any necessary paperwork and let you know the cost of continuing your coverage.

Length of Coverage under COBRA

Continuation coverage ends at the earliest of one of these events:

- The last day of the 18-, 29-, or 36-month maximum coverage period, whichever is applicable.
- The first day (including grace periods, if applicable) on which timely payment is not made.
- The date on which we cease to maintain any group plan (including successor plans).
- The first day on which a beneficiary is actually covered by any other group plan. However, if the new group plan contains an exclusion or limitation relating to any pre-existing condition of the beneficiary, then coverage will end on the earlier of the satisfaction of the waiting period for preexisting conditions contained in the new group plan or upon the occurrence of any one of the other events stated in this section.
- The date the qualified beneficiary is entitled to Medicare benefits.

EVENTS CHANGING COVERAGE

Certain events may require you to change who is covered by this Dental Plan.

NOTIFICATION OF CHANGE

You must notify Delta Dental within 31 days of the date of the event that changes the status of your eligibility except birth or adoption of a child. Delta Dental of Iowa must be notified within 60 days of the date of the event that changes your eligibility for births or adoptions. You can ask your employer or group sponsor to help you make this request. If a change is not made within 31 days of an event (except birth or adoption of a child which is 60 days), the person(s) affected may lose important coverage.
