This fall the West Des Moines City Campus becomes even more vibrant with the addition of the Jamie Hurd Amphitheater. Overlooking the pond, the $2.4 million amphitheater will serve as a cultural center for the community, playing host to festivals, concerts, movies and more.

The Jamie Hurd Amphitheater is the second element of the Five Waters Project to be completed, following the Boathouse at Raccoon River Park, which opened in summer of 2020. The amphitheater features a stage with capacity for a 50-person instrumental ensemble, food truck parking, and an acoustical design engineered to enhance audience experience while minimizing noise bleed outside the venue. The open-backed canopy and west-facing audience orientation will provide a serene sunset view over the pond for evening performances.

Join us on September 19 at Illumifest, where we celebrate the grand opening of the Jamie Hurd Amphitheater with music from Faculty Lounge, a screening of Onward and a fireworks display.

The Jamie Hurd Amphitheater is also available for private rentals such as weddings or reunions.

Funding for Jamie Hurd Amphitheater is made possible by generous donations from the Richard Hurd Family and Microsoft Corporation.

WE'RE NOT JUST DREAMING. WE'RE DOING.

The Mayor’s Column

I’m so proud of West Des Moines for coming together to address a very challenging time and managing our community in a safe and methodical manner.

When Governor Kim Reynolds issued her first state public health emergency proclamation in March, we realized that we would have to change the way we provided City services on your behalf.

City Manager Tom Hadden and all city departments quickly embraced new ways of working to maintain all necessary services in a safe and effective manner.

Staff have worked tirelessly to keep city government services functioning smoothly, and I am deeply grateful for their dedication and commitment to public service.

As we move forward in the weeks and months ahead, it’s important for residents to know we will continue to successfully provide necessary city services on your behalf while also planning for the future.

We are fortunate to have so many positive things happening in West Des Moines.

We recently were notified that Moody’s maintained our city’s top Aaa credit rating and expressed no concerns that the economic downturn would hurt our ability to bounce back as a city.

This is great news because a top credit rating helps us borrow funds at low interest rates so we can continue with projects and services that make West Des Moines such a wonderful place to live. It also allows us to continue to prove to our business community that we are an excellent place to do business.

We also are making tremendous progress on major construction projects that will add a new sparkle to the quality of life in West Des Moines. A prime example is the MidAmerican Energy Company RecPlex located on Grand Avenue, just west of the DMACC Campus. This huge facility will be a great addition to the metro, and I know many people are anxiously looking forward to opening day.

Another exciting project is the Jamie Hurd Amphitheater by the pond at City Hall. We have big plans for this venue as a relaxing spot for local entertainment and performances.

In addition, our new Raccoon River Park Boathouse will be open by the time you read this column. It’s an ideal and convenient spot to rent a non-motorized boat or canoe so that you can truly experience the great outdoors right here in our city.

Private developers also have been able to continue with their construction work. Our most recent building report shows the total valuation for April was more than $31 million. If you compare that to April 2019, we’re up over $15 million when you remove three large “one time” projects that were recorded in 2019 (two Microsoft Data Center facilities and our new Public Services Building).

History tells us that our community is resourceful and will adapt and advance just as our early residents did when Valley Junction experienced periods of great upheaval and change just as we did coming through the economic challenges of 2008-11.

We have much to look forward to as we move into the second half of a challenging and memorable year. I thank all our residents and businesses for their patience, corporation and support during these last few months.

Our commitment to you is that we will continue to deliver the superior services and enhanced quality of life you’ve come to expect from your city government.
FROM THE CITY MANAGER

I want to thank Mayor Steve Gaer for his leadership and statements to our community about the tragic death of George Floyd in Minneapolis.

As City Manager, I fully support the Mayor and the City Council as we move our discussions about equity and inclusion forward with our residents.

The signing of the Mayor’s Pledge that was approved at the June 15 Council meeting gives us an excellent opportunity to involve residents in our ongoing examination of police policies and procedures.

West Des Moines is a unique community because all three public service entities are accredited (Police, Fire and Emergency Medical Services). Not many cities in the nation have been able to achieve this distinction, and we have benefited because our elected leaders have supported this investment in our public safety operations.

Our Police Department is accredited by the Commission for Accreditation of Law Enforcement Agencies (CALEA), an organization that sets the standard for professional excellence and best practices in law enforcement.

As part of our ongoing accreditation process, we’ve conducted research, gathered data and updated the policies and procedures that guide our public safety operations. This work will assist us as we further examine our efforts and complete a review of the items included in the Mayor’s Pledge.

We welcome an open, honest and candid dialogue will be the members of our Human Rights Commission, a group of volunteers who meet regularly at City Hall.

This group has been working to finalize a strategic plan that will guide their work in our City. I want to thank them for their heartfelt public statement about their commitment to ensuring equity and racial justice for all our residents. We welcome their input and assistance with our work.

Our goal as City leaders is to listen, learn and lead. As Mayor Gaer has stated, hatred and racism have no place in West Des Moines.

In the months ahead, you’ll be hearing more about our efforts. I look forward to reporting back to you about our work to ensure everyone is welcome in West Des Moines.

COVID-19 / City Budget

As I write this message, we’ve reopened our buildings to the public and have rescheduled many of the programs and events that were canceled due to concerns about the spread of COVID-19.

Employees will be wearing masks in public areas of our buildings and practicing social distancing. When visiting our buildings, please follow social distancing recommendations. If you would like to wear a mask and don’t have one, just let us know and we’ll provide one for you.

As expected, the revenues we collect have been reduced as a result of the pandemic. I will be working closely with our Finance Department to monitor and adjust our budget. If necessary, we will delay some projects and hiring activities once we are able to better determine the impact of lost hotel/motel tax, local option sales tax and road use funds.

I encourage everyone to stay informed regarding COVID-19 developments by visiting our website at www.wdm.iowa.gov.

© 2020 City of West Des Moines, Iowa

Tom Hadden
Raccoon River Park is now featuring a new state-of-the-art boathouse that will give our community the opportunity to enjoy canoeing, kayaking, stand-up paddleboarding and paddleboating on the beautiful Blue Heron Lake.

The Raccoon River Park Boathouse serves as a river trail and land trail hub offering easy access to the water. Canoe, kayak, paddleboard and paddleboat rentals from CanoeSport Outfitters will allow outdoors enthusiasts of all experience levels the opportunity to experience Blue Heron Lake in new ways. For those who own personal watercraft, storage lockers may be rented seasonally, allowing you to keep your kayak or paddleboard easily accessible (see page 10 of the Parks and Recreation insert for more information on locker rentals).

Prices include taxes. Paddles and lifejackets are included with all rentals.

**Regular Hours of Operation**

Memorial Day Weekend until the beginning of West Des Moines School Year
Sunday through Friday 10 am to 8 pm
Saturday 8 am to 8 pm

The Raccoon River Park Boathouse was funded by LOSST (Local Option Sales and Services Tax) monies and by an Iowa DNR REAP (Resource Enhancement and Protection) grant. For more information on the Boathouse, call 515-440-4787.

The Boathouse is the first element of the Five Waters Project to be completed, to be followed soon by the Jamie Hurd Amphitheater. Learn more at www.wdm.iowa.gov/FiveWaters
COMMUNITY COMPLIANCE CORNER

The City’s Community Compliance Specialists work diligently to help keep West Des Moines beautiful and in compliance with City Code. Their mission is to help educate and work with residents to avoid abatement. Receiving a letter or notice posted by a Community Compliance Specialist not only lets a resident know of a violation and how to resolve the issue, but it also provides an opportunity for a conversation to answer questions. The City always favors education over citations and abatements. Here are some common Code issues you may not be aware of:

- **Street Sweeping**
  Streets are swept as scheduled, approximately once every five weeks.

- **Community Compliance**
  Helping to keep West Des Moines beautiful and safe by working with citizens to correct code violations.

- **Fleet Maintenance**
  Repair and maintenance of all City vehicles and equipment including fire trucks, police vehicles and ambulances.

- **Facility Maintenance**
  Maintenance of all City buildings, pools, fountains and other structures.

- **Responding to our Residents**
  Answering your questions and keeping you informed.

Any collection of dead brush or trees must be removed and disposed of properly.

Vehicles and trailers within the city need to be licensed, operable and on a hard surface or placed in a garage.

Weeds or vegetation allowed to grow to a height greater than ten inches (10”) on average must be mowed.

Trees or shrubs need to be pruned to prevent obstruction of public walks, trails or streets.

Trees or shrubs located within private property which are dead, diseased or insect ridden, deemed to be a nuisance and constitute a hazard may require removal by the property owner.

Due to COVID-19, some Public Services events were postponed earlier this year. Please check the City website at www.wdm.iowa.gov for updates about Spring Cleanup, large and extra item curb pickup, and Scrap Tire Dropoff.

**Metro Waste Authority** facilities are available for your disposal needs throughout the year. Check their website at www.WherellShouldGo.com or call 515-244-0021.

Everyone appreciates a good neighbor who takes care of their property:

- Mows their lawn
- Rakes their leaves
- Shovels their sidewalks
- Has a friendly smile and a good word!

Due to COVID-19, some Public Services events were postponed earlier this year. Please check the City website at www.wdm.iowa.gov for updates about Spring Cleanup, large and extra item curb pickup, and Scrap Tire Dropoff.

**Sanitary and Storm Sewers**
Inspections, repairs to sewer systems including lift stations, pipe and drainage ditches.

**Street Maintenance**
Inspections, pothole and other street repairs.

**Unimproved Streets**
Inspections, dust control and maintenance of gravel roadways.

**Traffic Safety**
Inspections and maintenance of traffic signals, school speed zone flashing beacons, inspection and replacement of traffic and street signs and painting of pavement markings.

**Parks Maintenance**
Mowing of City property and maintenance of parks and playgrounds.

**Forestry and Horticulture**
Inspection and maintenance of trees in the right-of-way, designing, establishing and maintaining horticultural and landscaping on City property and in Valley Junction.

Visit us on the web at www.wdm.iowa.gov

Visit us on the web at www.wdm.iowa.gov
SCRAP APPLIANCE & METAL DROP-OFF

The City of West Des Moines is offering residents a convenient opportunity to recycle unwanted items!

Residents may bring scrap appliances and metal to the West Des Moines Public Services facility located at 560 S. 16th Street on Saturday, September 12, from 8:00 a.m. to 12:00 (noon).

**These items will be accepted – FREE – along with general scrap metal**

- Air Conditioners
- Batteries, Lead Acid
- Blenders/Mixers
- Toasters
- Calculators
- Cameras, Camcorders
- Cell Phones
- Chillers
- Computer Towers
- Servers
- Condenser Units
- Copiers
- Dehumidifiers
- Dishwashers
- Dryers
- DVD Players
- Exercise Equipment
- Fans
- Fax Machines
- Freezers (no food)
- Furnaces
- Garage Doors & Openers
- General Scrap Metal
- Humidifiers
- Ice Makers
- Metal - Most anything
- Metal Shelving
- Microwaves
- Mowers - Riding
- Mowers - Walk Behind
- Phones
- Pots, Pans
- Electric Skillets
- Printers
- Refrigeration Units
- Rooftop AC Units
- Saws
- Speakers
- Stereo systems
- Stoves
- Vacuums
- VCRs
- Video Game Systems
- Washers
- Water Coolers
- Water Heaters
- Water Softeners
- (no salt)

NOTE
This event is subject to cancellation due to COVID-19.
Please check the City’s website to confirm the event is being held before bringing your items.

**These items will NOT be accepted**

- Anything with food in it
- Chemicals
- Garbage
- Light Bulbs
- Paint
- Plastics
- Wood

No Paper Shredding
Paper shredding will not be provided due to the variety of privately sponsored paper shredding events in our area throughout the year. Additional options to dispose of confidential documents are available at www.mwatoday.com (search for paper shredding).

Televisions and Monitors are accepted at a cost.

- $15 Each TV or Monitor
- $30 Each Console or Big Screen

Cash or Check Only

H & W Recycling is partnering with the City of West Des Moines in this collection event and will provide personnel to assist with unloading. If you have any questions, please call the Public Services Department at 222-3480 or H & W Recycling at 641-227-3200.

SCHOOL CROSSING SAFETY

It’s time to begin thinking about school crossing safety as West Des Moines students return to school.

Cooperation among parents, students, motorists, schools, and public safety and engineering departments is crucial to the safety of children as they walk to and from school. It is important that each group is aware of their responsibility for maintaining safe routes to schools for children.

Visit the West Des Moines website and search school crossing safety to learn about what each team member can do to promote crossing safety.
As summer comes to a close, we’ll soon be looking forward to Winter!

Remember: When it snows, it’s likely there will be a Parking Ban on City streets.

Packing
When winter weather arrives, the City puts a Snow Emergency Parking Ban in place to allow Public Services crews to efficiently and effectively clear roadways. If you normally park your vehicle on a City street, you have plenty of time NOW to put a plan in place for where you will park if there is a Snow Emergency Parking Ban.

Plan ahead to help ensure you’ll be ready for winter weather.

GROW GOLD COMPOST
Fall is the perfect time to score extra points on your lawn or garden! Whether you’re wanting to spruce up your planters with some mums, or give your lawn nutrients before the ground freezes, Grow Gold Compost can advance your projects to the next level.

THE HERO
Grow Gold Compost has many noble qualities that are sure to rescue your lawn and garden projects. Since it’s made up of materials rich in nitrogen and carbon, it is an all-natural soil enhancement that will add nutrients to your projects and help them retain water. This means it’s game-over for frequent watering and chemical fertilizer.

CHOOSE YOUR QUEST
Compost is easy to apply, but the quest you choose will have its own set of rules to earn extra lives for your projects.

QUEST 1: Establish a new lawn
Before seeding, mix 1-2 inches of compost with the top 3-5 inches of soil per week. Once seeded, apply 1/2 inch of the mixture to the surface of the area per week.

QUEST 2: Maintain your lawn
Top with 1/4 inch of compost after aerating once or twice per year.

QUEST 3: Flower + Vegetable Gardens
A few weeks prior to planting, apply a mixture of 1-2 inches of compost and 3-5 inches of soil.

HOW TO CAPTURE
There are three ways to capture Grow Gold Compost: Bulk, Bag or Retailers.

For bonus information about the qualities or quests of compost, visit the Metro Waste Authority website at www.WhereItShouldGo.com.

HAZARDOUS WASTE
Many people don’t realize common household cleaners, bug spray and even some paints are hazardous waste and need to be disposed of with special care. To serve the needs of residents for safe, smart hazardous waste disposal, houseside collection is available throughout the metro.

Houseside collection works like an Amazon or grocery delivery. If you want to use the service, simply sign up and Metro Waste Authority (MWA) will come to you. The service is provided as-needed; you only pay if you choose to use it. For a $25 fee, MWA will deliver two 12-gallon plastic bins to fill with things like paint or lawn chemicals, and a large plastic bag for items that are too large for the bins such as computers, printers or laptops. Check out the full list of accepted items at www.WhereItShouldGo.com/ hhwhouseside.

Once your bins and bag are prepped, you can schedule collection by calling 515.244.0021. All you have to do is place your bins out by 8 AM.

If you are doing some long overdue cleaning, items like electronic waste, fertilizer, CFLs, gasoline, sharps, and more can be disposed of through houseside hazardous waste collection.

ECO FRIENDLY ALTERNATIVES
As many of us have spent more time at home this year, it’s been a great opportunity to put a little extra time into forming new habits. A habit we can all get behind is eco conscious decision making. This doesn’t only apply to how full your recycling cart is each week, or how clean your peanut butter jar is before you toss it in your cart.

Life is different, and the Earth has noticed. More time at home has resulted in fewer cars on the road, fewer lunches packed in zip-lock bags, and fewer empty latte cups in the garbage. Air quality has improved, and muddy waters became clear, a result of our changing habits. When life gets back to normal, our new and improved habits can be here to stay. Bring your own water bottle instead of using disposable. Sure, disposable water bottles are recyclable, but reducing our use is better overall. Think about portioning snacks out in jars or reusable “baggies.”

Thinking ahead helps save the Earth, and it can also help save you money. It just takes a little extra time and though. Take things day by day and keep the Earth in mind as you go about your daily life.
By now, you may have noticed several traffic signal and fiber boxes throughout West Des Moines that are wrapped in artistically designed vinyl. Partially funded by a Metro Waste Authority grant, the Public Arts Advisory Commission commissioned artist Clint Hansen, Urbandale, to create artwork for eight separate locations. The eight environmental topics that Hansen has designed for are solar energy, water quality, recycling, hazardous waste disposal, wind energy, composting, plastics use, and tree planting. We challenge you to find all eight and pass the messages they convey on to others! You can learn more about Clint Hansen at www.clinthansen.com.

HOW IS PUBLIC ART FUNDED?
Annual funding for public art in West Des Moines comes from hotel-motel tax revenue dedicated by the City Council for that purpose.

For the Jamie Hurd Amphitheater Public Art Project, a grant from BRAVO Greater Des Moines has allowed a visual artist to create a work of public art that will be placed on the Jamie Hurd Amphitheater site in 2021. Kentucky artist Douwe Blumberg was selected because his work has been a diverse collection of styles and subjects, making it the perfect choice for this project.

The Jamie Hurd Amphitheater Public Art Project Work Group selected an artist to create a work of art that will be placed on the site in 2021. Kentucky artist Douwe Blumberg has a wide range of artistic expression and his images attest to a body of work which unabashedly explores a diversity of styles and subjects. This is completely intentional, reflecting a deep commitment to approach each art opportunity with a creative blank slate. It is important to Blumberg that his artistic vision be guided solely by the site, its people and energy, resulting in works that truly feel “organic” to their sites. Over the last decade Blumberg has created dozens of sculptural artworks across the nation from Ground Zero in New York City, west to Las Vegas, San Francisco and William Shatner’s estate in Los Angeles; from Orlando north to the University of Wisconsin with dozens of municipalities in between and overseas. You can learn more about Douwe Blumberg at www.douwestudios.com.

The Jamie Hurd Amphitheater Public Art Project is partially funded by a generous grant from BRAVO Greater Des Moines. You can learn more about Travis Apel at www.travisapel.com.
EMERALD ASH BORER (EAB) UPDATE

At this point into the growing season, it has become very apparent just how prevalent emerald ash borer is throughout WDM. Most ash trees that have not been treated for EAB are showing symptoms ranging from the initial dieback in the upper canopy to completely dead trees (lots of those).

Trees killed by EAB become dangerously brittle and are prone to failure without warning. WDM’s City Code, 7-10-7E, references Public and Private “Dead, Diseased, or Insect Ridden Trees and Shrubs” that are deemed a nuisance and constitute a hazard to neighboring private property and/or public safety. The removal of such trees can be ordered by the City and with thousands of ash trees on private property in WDM, it’s likely our two Specialists will sadly be quite busy.

I have stressed for several years now that private property owners with ash trees need to decide whether or not to treat. If the choice is not to treat, then the trees(s) should be removed before they die! The removal cost for dead and dying ash trees will be 30-300% (or more) higher than if the same tree was healthy. In addition, most homeowner insurance policies will not cover damage caused by diseased or insect infested trees. Ash trees that are within the treatment threshold (less than 20% dieback) can be protected with an injection of one of the emamectin benzoate formulations. This is a viable option at least through August but needs to be performed by a certified pesticide applicator. The homeowner products available in lawn and garden departments could provide protection to small diameter trees but with less promise of success than injection treatments.

Address your ash trees SOON to avoid what could be an incredibly expensive removal or even worse, a tragic accident.

YARD WASTE

Yard waste, including grass clippings, leaves, brush and tree limbs, should NEVER be placed in the street or near storm drains, ditches, creeks or rivers.

Why? They can clog storm sewers and culverts which can cause flooding. Also, decaying yard waste uses the oxygen in the water, harming aquatic plants and wildlife, causing streams to become unsightly and causing foul odors.

We can all help prevent flooding if we:
- Bag or mulch our yard waste, and help keep our storm sewers clean and unobstructed.
- Learn more by visiting www.mwatoday.com, click on “Residents” in the horizontal menu and select “Yard Waste” from the dropdown menu or visit www.wdm.iowa.gov and type “yard waste” in the search box.
- Limit lawn chemicals, pick up pet waste and help keep our water sources clean!
Residential Soil Quality Restoration Reimbursement Program

Soil quality restoration (SQR) is the process of improving soil health on new or existing lawns. The process uses tillage, aeration, and compost to increase infiltration and organic matter content. Soil quality restoration leads to healthier, more functional soils and to landscapes that can absorb more rainwater and shed less runoff.

Why not improve our city’s water quality and get a healthier, greener lawn at the same time?

West Des Moines homeowners are eligible for a 50% match with a maximum reimbursement of $1,500 per address per year.

WHY SOIL QUALITY RESTORATION?

REDUCES THE NEED FOR FERTILIZING AND WATERING

Healthy lawns enable air and water to better penetrate the soil, promote good rainwater retention and drainage, and allow the establishment of important soil organisms.

REDUCES HARMFUL STORM WATER RUN-OFF

Compacted soils with no organic matter cause nearly all the water to runoff during rainfall. Storm water runoff flows untreated to storm sewers, and washes associated pollutants directly into nearby streams, rivers, lakes and wetlands.

REDUCES THE RATE OF EROSION

The natural rate of erosion tends to speed up when development disturbs top soil or when the soil is highly compacted. Roots from healthy grass grip the soil and will effectively prevent the excess movement of soil throughout the ground.

YOUR LAWN WILL BECOME HEALTHIER

Soil quality restoration improves lawn and landscape health by increasing porosity and organic matter content, breaking down nutrients and making them available to plants, improving plant hardiness and vigor, and retaining more water in the landscape.

Residential Rain Barrel Reimbursement Program

Storm water that runs off your roof often flows untreated into city storm sewers and local waterways. A rain barrel can capture some of that rainfall for later use on your property. Rain barrels come in a wide variety of materials, designs, and colors and are simply containers that capture and store rainfall from a roof downspout for non-potable uses such as irrigation. Capturing and reusing rainwater from your roof reduces demand on the sewer system and protects the quality of streams and groundwater. The Residential Rain Barrel Reimbursement Program is a costshare program.

WHY USE A RAIN BARREL?

SAVES HOMEOWNERS MONEY

Have you noticed the drip, drip, drip of your rising water bill? The cost of water is increasing nationally, no matter where you live. Yet rainwater is free. If we are using 70% of our expensive drinking water for outdoor usage doesn’t it make sense to tap into the huge source of free water splashing off your roof?

REDUCES STORM WATER RUN-OFF

Capturing rainwater in a barrel before it hits the ground decreases storm water run-off, which carries pollutants from paved surfaces into groundwater and rivers. These pollutants suffocate our water supplies and result in costly treatment facilities, affecting the quality of our recreational water. Storm water run-off also has a huge impact on the ecosystem.

PLANTS PREFER RAINWATER

Non-chlorinated organic rainwater is better for your plants than what comes out of the tap and it shows in the garden. Try watering a small plant with tap water for a few days to see the difference.

Adopt a Park, Trail or Street in West Des Moines!

Are you tired of seeing trash in a park, on a trail, or along a street near your home? Are you ready to do something about it?

We need you or your local group to adopt one of West Des Moines’ parks, trails or streets and help make a difference in our community! Resources needed to accomplish a cleanup will be provided by the City. After your group has officially adopted a park, trail or street, a sign will be placed to recognize your sponsoring group.

Funding for these projects provided by Metro Waste Authority

For more information about these reimbursement programs and to download an application, visit wdm.iowa.gov/StormwaterBMP or contact City of West Des Moines Engineering Services Department at 515.222.3475 4200 Mills Civic Parkway, West Des Moines, IA 50265

IT IS SUSTAINABLE

Harvesting and using your own rainwater is a first and easy step towards sustainability, lowers your carbon footprint, and teaches conservation.
Mission Statement: The WDM Public Library enriches the quality of life of community residents by providing convenient, timely and equal access to information and ideas. The library is committed to offering engaging activities, opportunities for personal and professional growth, promoting the love of reading and learning while remaining responsive to the changing needs of the community.

Dear Library Users….

As we prepare our portion of the fall WDM Magazine in early June, the library has been closed to the public since March 19 due to the COVID-19 pandemic. Since then, library services have been offered to the public via telephone, social media, and curbside holds pickup. Construction projects continue and some are ahead of schedule. We’ve pushed funds toward new streaming services like Hoopla and Kanopy.

Plans to re-open on June 15 included new reduced hours and new safety protocols: concierge desk, masks required, sneeze guards, spaced seating and computer stations, toys in storage, no meeting rooms, etc. We have asked that all patrons be efficient in their time using the library to allow service to more users, and to be aware of social distancing for their own health and the safety of others.

Virtual programming is likely to continue. Rather than publish our projected fall program offerings, we encourage you to follow us on Facebook or Twitter and check our website for the latest information. The programs we are listing here are, of course, subject to change.

Like you, we can’t wait for things to get back to normal. We’re more than ready to put the “public” back in public library.

— Darryl Eschete & The WDM Library Staff

Carbon monoxide (CO) is a colorless, odorless and tasteless gas that is poisonous to humans. It is often called the “silent killer.” CO is produced by any fuel-burning device, such as a furnace, dryer or fireplace. According to the National Fire Protection Association, CO poisoning is the number one cause of accidental poisoning in the United States each year.

A carbon monoxide detector is a safety device that can alert homeowners of a CO leak and help them escape a potential life-threatening situation. Iowa passed a law in 2018 requiring carbon monoxide detectors in every home. Most carbon monoxide detectors have a lifespan of about seven years before they lose efficiency. Leaving old devices in place puts people at risk of serious and sometimes fatal carbon monoxide poisoning. Check the back of your detector for a date.

A carbon monoxide detector has different beep patterns to communicate. It is important to know the difference between the beeps.

- **4 beeps and a pause:** This means there is carbon monoxide in the air and you should seek fresh air immediately and call 9-1-1.
- **1 beep every minute:** This means that the detector has low batteries and you should replace them.
- **5 beeps every minute:** This means your detector has reached the end of its life and needs to be replaced with a new carbon monoxide detector.

Carbon monoxide detectors should be installed on every level, inside every bedroom and outside each sleeping area of your home. Test your CO detector monthly. If your detector has replaceable batteries, they should be changed every year. It’s important that you take the necessary safety steps to make sure your family is ready for the unexpected.

Did you know carbon monoxide detectors have a lifespan?
**EARLY LITERACY**

“Early literacy is what children know about reading and writing before they actually learn to read and write. It is not the teaching of reading, but is laying the foundation for reading so that when children are taught to read, they are ready.” – from Early Literacy Storytimes @ Your Library by Pamela Martin-Diaz and Saroj Nadkarni Ghoting.

**Why is Early Literacy important?**
Acquiring early literacy (pre-literacy) skills before school leads to reading achievement and academic success. Children who enter school with well-developed early literacy skills are ready to learn to read.

**What are the Six Early Literacy Skills?**
1. Letter Knowledge – knowing the names and sounds of letters; recognizing that the same letter can look different (upper vs. lower case, different fonts)
2. Narrative Skills – being able to describe events and tell stories
3. Phonological Awareness – the ability to hear and play with the smaller sounds that make up words
4. Print Awareness – noticing print; the ability to handle a book; understanding how to follow the words on a page
5. Print Motivation – showing interest and enjoying books
6. Vocabulary – knowing the names of things

**What can YOU do to help your child?**
- Allow your child time to talk while you listen attentively
- Encourage your child to handle books and "tell" you the story
- Provide an atmosphere that is fun and language rich
- Read often and make reading time an enjoyable time
- Read, sing, talk, and play with your child
- Write and color with your child to develop fine motor skills

**How can the WDM LIBRARY help?**
- Ask a librarian for suggestions
- Use our recommended reading lists to find materials your child may enjoy
- Check out library materials to use at home
- Attend age appropriate library programs (see our Storytime Series)

**1000 BOOKS BEFORE KINDERGARTEN**
0-6 yrs & Parents

Read to succeed! The best and the brightest have parents who read to them. Track the time YOU read with your child. When you reach 1000 books, pick up a free book for your home collection! Register anytime online.

**ABRAHAM LINCOLN EXPERIENCE: A NEW BIRTH OF FREEDOM**
**DATE/TIME:** TBA
Hear about the events which led Lincoln back into politics, his election, and of course, the Civil War. Includes excerpts from famous speeches and writings that will inspire you to hope, as he did, for a "new birth of freedom" for our country. Featuring Kevin Wood as Mr. Lincoln. Sponsored by the WDM Library Friends Foundation. No registration!

**MANAGING STRESS**
**Thu, Sep 17 | 7-8 pm | Community Room**
The term "stress" is used loosely in our culture. What does it really mean? Learn all about stress and ways to manage it in your own life. Presented by Gary Rasmussen, Director of Education for the National Alliance on Mental Illness-Greater Des Moines (NAMI). Registration preferred. 515.222.3403 I wdmlibrary.org/calendar

**ADULT BOOK DISCUSSIONS**
Sponsored by the WDM Library Friends Foundation

WDM Human Services

“The ♥ of the Community”

WDM Human Services provides necessary assistance to qualifying low-income, elderly and disabled individuals in our service area. Basic needs such as food, clothing, and emergency financial assistance are a few of the critical services provided. To learn more, visit our website or call 515-222-3660.

EMERGENCY FINANCIAL ASSISTANCE
Financial assistance available to eligible West Des Moines residents who are facing an eviction or utility disconnection. Outreach staff assess the situation and work to ensure the needs of the household are being met.

DMARC FOOD PANTRY
Food and personals available on a monthly basis.

CLOTHING CLOSET
Free clothing, shoes and housewares for qualifying households.

TRANSPORTATION
Assistance with accessing transportation services for elderly, disabled and low-income WDM residents. Eligibility requirements apply.

ENERGY ASSISTANCE
LIHEAP (Low-Income Home Energy Assistance Program) provides a one-time annual credit on energy bills for eligible households. Program runs from October through April.

HANDYMAN SERVICES
Mowing, snow removal and minor home repair services available to income-eligible WDM senior and disabled residents.

FREE MEDICAL CLINIC
Basic medical care and management of chronic medical conditions to uninsured or under-insured individuals; all on-site services provided free of charge. The clinic is a member of Free Clinics of Iowa, the largest network of free medical clinics in the state of Iowa and a donor-supported, not-for-profit organization.

HOLIDAY ASSISTANCE
Variety of programs available to WDM residents to help alleviate the financial burden of the holiday season for qualifying households.

SKILL DEVELOPMENT CLASSES
English Language Learner (ELL) classes and High School Equivalency (HSET, formerly GED) classes offered from September through May.

YOUTH RECREATION ASSISTANCE
Financial assistance to WDM youth participating in activities offered through WDM Parks & Rec.

Please visit our website for a full listing of available programs as well as income and service area guidelines for each program: www.wdm.iowa.gov/HumanServices

Partner with WDM Human Services to help our neighbors in need!

WDM Human Services Current Needs

Personal Pantry
Each month WDM Human Services assists approximately 375 low-income households with personal care products. We need your help to meet the needs in our community. The following items are needed on an on-going basis:
- Laundry detergent
- Shampoo and Conditioner
- Deodorant
- Feminine hygiene products
- Toilet Paper
- Toothbrushes and toothpaste
- Diapers (esp. larger sizes)
- Soap

Clothing Closet
Our clothing closet is in need of new or gently used, children’s, teen, and adult clothing and shoes for the current season. We also need towels, sheets, blankets, toys and small household items. Clothing Closet donations are accepted Monday through Friday, 8:30 am – 4 pm, at 139 6th Street in West Des Moines. Donations are also accepted on the 2nd and 4th Tuesday of each month up until 6:00 pm. Donation receipts are available.

Volunteer Today!
Volunteers are needed in the Clothing Closet, Food Pantry and for ELL classes at West Des Moines Human Services. Opportunities are available Monday through Friday between 8:30 am and 4:00 pm as well as on the 2nd and 4th Tuesday of each month up until 6:00 pm. Convenient location in Valley Junction neighborhood. Must be 14 years or older. To learn more, please contact Mindy Hotovec at 222-3663 or visit www.wdm.iowa.gov/HumanServices.

ELL Classes at WDM Human Services
English Language Learner classes for adults are offered at West Des Moines Human Services. The classes take place on Tuesday and Thursday mornings from 10 am to noon in eight week sessions. Volunteer tutors are needed to assist with the classes. Volunteers will provide small group and one-on-one instruction for adult learners. Knowledge of a second language is not necessary to volunteer. We are also in need of childcare volunteers for the classes.

Call 222-3663 for more information or to register as a student or volunteer!
The holidays are just around the corner and you are invited to add one or more families to your holiday list by participating in West Des Moines Human Services' holiday assistance programs.

West Des Moines Human Services is a non-profit organization that provides assistance to low-income, elderly and disabled individuals in our service area. Many of our community members are surviving on very limited incomes and struggle to afford even the most basic of necessities. The holiday season can be particularly difficult for these individuals and families.

Please consider partnering with us to assist these struggling members of our community. Gifts can be delivered directly to a family, or you may deliver your gifts to West Des Moines Human Services. The following opportunities are available:

**Thanksgiving**
Sponsors are needed to provide grocery gift cards.

**Adopt-A-Family Program**
Sponsors are matched with a WDM family in need and asked to provide gifts to the children in the household. A “wish list” for the family will be provided consisting of names, ages, genders and gift ideas for the children in the household. Sponsors may deliver the gifts directly to their “adopted” family or to WDM Human Services.

**Giftland** (formerly Toyland)
This program provides toys/gifts for kids who are not sponsored through the Adopt-A-Family program. Giftland will take place on December 14th at WDM Human Services. Donations of new, unwrapped toys/gifts and gift cards are needed for this event.

**Monetary Gifts and Gift Cards**
Monetary donations and grocery gift cards are also appreciated as this allows us to assist families during the holidays and throughout the year.

If you know of other individuals or organizations who may wish to participate, please share this information. We have many families and children who need assistance, and adopting a family is a wonderful tradition during the holidays. Please call 222-3663 for more information or visit our website at www.wdm.iowa.gov/HumanServices.

If you are interested in providing assistance, please complete the Holiday Sponsor Form by December 11th (November 18th for Thanksgiving) and send to:

West Des Moines Human Services
ATTN: Mindy Hotovec
139 6th Street, P.O. Box 65320
West Des Moines, Iowa 50265
Melinda.Hotovec@wdm.iowa.gov

Please return sponsor form to:
(Deadlines: Thanksgiving – 11/18, Christmas – 12/11)

WDM Human Services • Attention: Mindy Hotovec
139 6th Street, P.O. Box 65320, West Des Moines, IA 50265
Melinda.Hotovec@wdm.iowa.gov • 222-3663
We provide our community everyday enjoyment through people, parks, and programs.
RECREATION PROGRAM REFUND POLICY

1. Full refunds will be given if the request is submitted no later than 7 days prior to the program start date.
2. Refund requests submitted less than 7 days before the start date will be charged a $10 withdrawal fee.
3. Requests for refunds submitted after the event start date or completion of the program will not be considered.
4. Please allow 2-3 weeks to process a check refund for payments originally made by cash or check. No cash refunds will be given.
5. Payments made by credit/debit card will be refunded back to the original credit debit card.
6. The Recreation Program Refund Policy does not apply to travel programs or adult sport leagues.
7. Refunds for medical situations will be considered on a case by case basis.
   Please call the West Des Moines Parks and Recreation Administrative Office at 515.222.3444, Monday-Friday, 8am-5pm to request a refund.

We reserve the right to cancel a program or activity that does not meet the minimum number of participants necessary to offer the program.

Fee discounts are available for WDM residents meeting assistance guidelines. Contact WDM Human Services at 515.222.3660.

The Parks & Recreation Department will not tolerate bullying* in any youth program or activity, and staff will do all they reasonably can to create a safe space for participants, regardless of an individual's actual or perceived age, color, creed/denomination, national origin, race, religion, marital status, sex, sexual orientation, gender identity, physical attributes/appearance, physical or mental ability or disability, ancestry, political belief, socioeconomic status, or familial status.

* For the purposes of this statement, bullying is defined as the unwanted, aggressive use of physical, social or mental/intellectual power to control, harm or humiliate another person in a repetitive or pervasive manner.

Valley View Park Fields
225 88th Street 515.222.3444

In 2000, a master plan for Valley View Park was completed for the 80 acres of land that was purchased the year before. This master plan included the construction of an aquatic center, soccer fields, baseball/softball practice fields, tennis courts, basketball courts, parking, and various other amenities. The Valley View Aquatic Center was completed and opened in 2003, and a revised master plan was initiated in 2010. Construction on the parking lot began soon after, and soil restoration and reseeding of the open play area took place.

Two lighted basketball courts were constructed in 2016. Two lighted tennis courts with pickleball lines were finished in 2017. The three soccer fields, four softball/baseball fields, and cricket pitch are available for rent. Three sand volleyball courts were finished in 2019. A shelter, available for separate rental, was completed in 2019.

*Apr 1-Sep 1 Rental Season; 2 hr. minimum rental
To allow for turf renovation, field availability will be reduced Sep 2-Nov 1

Reserve Valley View Park Fields Online at [www.wdm.iowa.gov/VVFields](http://www.wdm.iowa.gov/VVFields)

Jordan Cemetery
2950 Fuller Road 515.222.3444

Historic Jordan Cemetery was founded by one of Polk County’s earliest settlers, James C. Jordan, who arrived in Polk County in 1846 and homesteaded in the area of the cemetery. Grave markers in the cemetery indicate that one of the first burials occurred in 1855 when Melinda Jordan, James C. Jordan’s first wife, died. Jordan, described as “one of the leading farmers of interior Iowa”, served as a state senator and state representative. Records show that Jordan deeded the cemetery land to a cemetery association to administer. In 1920 the association voted to ask Valley Junction, as West Des Moines then was called, to provide funds to help maintain the cemetery. The cemetery is now managed by the City of West Des Moines Parks & Recreation Department. Monuments in the cemetery contain the names of members of some of the West Des Moines area’s earliest and most prominent residents.

Burial plots are available for purchase in the newer western part of the cemetery.

Reserve Valley View Park Fields Online at [www.wdm.iowa.gov/VVFields](http://www.wdm.iowa.gov/VVFields)

P&R Administrative Office
4200 Mills Civic Parkway 515.222.3444

West Des Moines City Hall underwent renovation throughout 2019 and was recently completed this spring. Visitors will notice that the front entrance and lobby area have a new look. This includes the entrance to the Parks and Recreation Department’s Administrative Office. Visitors are asked to check in at the security desk. Front desk staff will then be able to provide services for any Parks and Recreation Department need at the left-side counter.
Work has finished on the Raccoon River Park Boathouse on Blue Heron Lake! Offering visitors ways to “get their feet wet” in the park, the state-of-the-art Boathouse offers restrooms and boat rentals including canoes, kayaks, paddle boats, stand-up paddle boards and more. The Boathouse serves as a river trail and land trail hub and offers additional parking for easy access to the water.

We are proud to offer a new service to those who enjoy getting out on the water at Blue Heron Lake. The Boathouse features 43 rentable watercraft lockers where users can store kayaks and paddleboards for the year.

Construction of the Raccoon River Park Boathouse was funded by LOSST (Local Option Sales and Services Tax) monies and by an Iowa DNR REAP (Resource Enhancement and Protection) grant. It is the first of the Five Waters Projects to be completed. Learn more at www.wdm.iowa.gov/FiveWaters.

Boat rentals at the Raccoon River Park Boathouse are managed by CanoeSport Outfitters of Indianola. Turn to page 9 in the main part of the WDM Magazine to view boat rental details.

The Jamie Hurd Amphitheater is nearly complete and is the new performance and event venue on the West Des Moines City Campus. The $2.4 million outdoor amphitheater is located next to the pond and serves as a community-based cultural center, working to bring people together to share inspiring musical performances and creative showcases. The amphitheater site was constructed with space for food trucks, outdoor movies, and ticketed events.

We are now accepting reservations for the 2021 Season! The Jamie Hurd Amphitheater can be rented between April 15 and October 15 and is available for private, non-profit, K-12, and ticketed events.

The City of West Des Moines built a unique partnership with the private sector to bring a one-of-its-kind sports facility to Central Iowa – The MidAmerican Energy Company RecPlex. This public/private project promises to enhance the quality of life for Central Iowans of all ages and abilities. In particular, the project addresses the need for a regional indoor sports facility that provides year-round access and opportunity for our growing youth sports programs such as hockey, soccer and basketball.

Attendance projections indicate more than 1,000 participants per week night and approximately 5,000 per weekend day at the facility – showing that the RecPlex will be self-sufficient and sustainable. The City of West Des Moines will own and be responsible for the operation of the RecPlex. The RecPlex includes a 113,500 square foot arena with two sheets of ice, plus a 14,500 square foot concourse. The fieldhouse with mezzanine seating for spectators, is nearly 100,000 square feet and includes a full-sized turfed soccer field that converts into netted fields. Additionally, court sports, such as basketball and volleyball are accommodated with 26,000 square feet of convertible hardcourt. The outdoor amenities include three full-sized, lighted and artificially turfed fields for soccer, lacrosse, and football. On-site parking can manage up to 1200 vehicles.

The RecPlex project site sits along the south side of Grand Avenue at Jordan Creek Parkway. The 60-acre site is conveniently situated within a mile of I-35, making the RecPlex easily accessed from all directions. The facility also is less than a ten-minute drive from the Des Moines International Airport making it an ideal location, not only for local youth sports groups, but for regional events such as tournaments, trade shows and conventions.

Follow the progress on Facebook @ MidAmerican Energy Company RecPlex

For more info visit www.TheRecPlex.com or call 515.440.4775

New West Des Moines Parks

Pinedale Park
3375 Woodland Avenue

Reconstruction of Pinedale Park began in the spring of 2019. A shelter, playground equipment, 1/2 basketball court, concrete sidewalk, stormwater improvements, and site restoration were completed and the park opened back up to the public this past spring. Pinedale Park was created under the City's Parkland Dedication Ordinance.

Amenities
Shelter Parking Lot
Playground 1/2 Basketball Court

Hidden Point Park
1250 S. Hidden Point Court

Construction of Hidden Point Park, located east of the Jordan Creek Parkway and Stagecoach intersection, began in March of 2019 and was completed in the spring of 2020. The park sits on approximately 8 acres of greenspace and contains park amenities including a paved parking lot, ball field, 2-5 age and 5-12 age playgrounds, multi-use trail and established wetland. Future amenities will include a picnic shelter, restroom, a basketball and tennis court and interpretive signage.

Amenities
Playground Open Playfield
Parking Lot Multi-Use Trail

Whisper Point Park
9125 Bridgewood Blvd.

Whisper Point Park is WDM's newest park. It features a restroom facility, playground equipment, concrete sidewalks and trails, stormwater and water quality improvements. Two small shelters and a parking lot were also constructed. This park was created under the City's Parkland Dedication Ordinance which requires that developers provide land for park and recreation purposes.

Amenities
Shelter Parking Lot Grill
Playground Restroom

For more info visit www.wdm.iowa.gov/ParksandRec or call 515.222.3444
**Halloween Hoopla**

Halloween is lurking just around the corner, and this haunted holiday would not be complete without a fun, family-friendly event at Raccoon River Park. Come on out and join the freaky festivities. We will decorate pumpkins and enjoy a ride on the "Witch's Wagon" around the Lake. You will be treated to Count Dracula's "blood" while making your own Skeleton S'mores! Be sure to save the date...we're just dying to see you there!

**Monarch Butterfly Tagging Kits**

The Monarch Butterfly Migration is an amazing feat of nature. These tiny creatures fly over 2,000 miles to the mountain of Mexico each fall. These migrating monarchs will pass through this area anywhere between the last week in August through the first week in October. Scientists have been studying monarch migration for decades, and this year you will have the opportunity to help by tagging monarchs in your own back yard. Each monarch butterfly kit will contain 3 monarch tags, information on the monarchs migration journey and access to a brief video on "How to tag a Monarch". There are a limited number of kits, so don’t wait to get yours!

You can pay for ($5 each) and pick up your kits at the Nature Lodge at Raccoon River Park. Participants must record tagging data and return this data to the Nature Lodge by October 15.

To register visit [www.wdm.iowa.gov/ParkRecReg](http://www.wdm.iowa.gov/ParkRecReg) or call 515.222.3444
THE ROOK ROOM

The Rook Room is a board game pop-up delivering unique gaming-themed events and experiences at bars, cafes, and other spaces around the Des Moines metro. From board games to tabletop RPGs to card games, we bring people together over a shared love of games. Learn more at www.therookroom.com.

Play Date  NEW

Bring the whole family to Play Date, a board game filled afternoon where you can try out new games and old favorites. Each month will have a theme and a wide selection of throwback games for you to try, featuring classics like Candy Land, Monopoly, Guess Who and more.

Park Packs  NEW

Have you ever wanted to do fun and educational activities with your children, scouts, or home school group but didn't know where to start? We've put together Park Packs to help you get started. These packs will give you the knowledge and activities to get your family out and enjoying nature. You can check out the Park Packs from the Nature Lodge. We currently have packs available on Insects, Birds, Mammals, and Life in the Pond. Come and check one out today!

Charlotte Chipmunk  NEW

Go explore with Charlotte Chipmunk this fall! Keep an eye on Facebook for another Chipmunk adventure. Charlotte Chipmunk will be hiding in historic locations throughout West Des Moines. You will have the same fun in searching for and finding Charlotte as you did looking for Charlie, and maybe you will learn some things about West Des Moines along the way. Starting October 5, you can find Charlotte hidden in historic locations in West Des Moines. (Please leave her there for others to find!) Record the word on her acorn and put it on your park tracker. (Park trackers available at Raccoon River Park or at wdm.iowa.gov.) Once you have stopped at all of the historic locations, you can unlock Charlotte's secret message. Bring the tracker to the Nature Lodge at Raccoon River Park to claim your prize. Prizes will be limited to the first 200 kids ages 10 and under.

Breakfast with Santa  NEW

Join us for this fun, festive, holiday breakfast featuring Santa Claus himself! Our event features an all you can eat pancake breakfast, catered by “Chris Cakes”. Photos on Santa’s lap will be available...so be sure to bring your camera! A very limited number of admission tickets will be available for purchase at the door. Please be sure to register early.

Art Around the World
Get ready to discover art from around the world. In this six-week program, your child will create art from or inspired by Haiti, Egypt, Bolivia, Denmark, Greece, and Morocco. We will spend some time each week learning about a country and then create our art. And to highlight what we've done, families will be invited to a gallery night upon completion of the class!

Environmental Art
Outdoor adventure meets art in this workshop. We will spend a short time learning about artist Andy Goldsworthy and his approach to Environmental Art, which uses materials found in nature. We will then take a hike to collect materials to create our own temporary works of environmental art, which will exist until the wind or rain sweeps them away. Participants will receive a digital photo of their artwork.

ID #14133  10/18  Su, 1-2:30pm  7-12  $10  Nature Lodge

Creative Geniuses Art
This art class for school aged children will explore different mediums each week. We will work through a creative process to plan, develop, and create art pieces that represent a seasonal theme. We will connect to students’ personal interests and help them to develop techniques with their art tools. No class on 11/28

ID #14024  10/3-10/24  Sa, 11:15am-12:15pm  6-11  $59  Activity Center
ID #14022  11/7-12/5  Sa, 11:15am-12:15pm  6-11  $59  Activity Center

*Fee includes a student sketchbook and an online student art museum

PreK Art Play
This art class for preschoolers is inspired by play! We will play with a different medium each week and focus on fine motor ability, social skills, and creative thinking. Young artists will enjoy exercising decision-making skills and using their creativity during this fun art exploratory class. No class on 11/28

ID #14021  10/3-10/24  Sa, 10:30-11am  3-5  $48  Activity Center
ID #14023  11/7-12/5  Sa, 10:30am  3-5  $48  Activity Center

*Fee includes an online student art museum

Sports Exploration

This action-centered sports sampling program exposes children to a variety of sports while they explore and develop their natural abilities. Professional coaches create enjoyable experiences for children that emphasize fitness, fun, and play to foster motivation for lifelong participation in sports.

ID #14130 10/24-11/21 Sa, 9:30-10:15am 3-6 $65 Activity Center

Soccer

This high-energy fitness program is led by professional soccer coaches who introduce children to fundamental soccer principles, such as using their feet, dribbling, passing, ball control, and shooting by using creative games, positive reinforcement, and even songs. Children will learn the basic rules of the game while practicing sportsmanship and teamwork.

ID #14127 9/12-10/17 Sa, 9-9:30am 2-3 $55 Wilson Park
ID #14131 9/12-10/17 Sa, 9:30-10am 2-3 $55 Wilson Park
ID #14128 9/12-10/17 Sa, 10-10:45am 4-6 $65 Wilson Park

Tumbling

Our tumbling program allows young children to enhance their social skills and develop greater strength, flexibility, and coordination – along with a lifelong love of fitness. Classes are taught with a theme to catch the attention of the young gymnast and build skills through creative movement and music. This will provide them the confidence to participate in active exercises as they grow older, and at the same time, they will be learning Spanish.

ID #14126 10/9-11/6 F, 5-5:30pm 2-3 $55 Activity Center

Iowa Hawkeye Football

Every year we travel via deluxe motor coach to Kinnick Stadium to watch the Iowa Hawkeyes play football. This year, we were unable to secure tickets prior to this publication. We certainly hope that fans will be in the stands and we will be able to travel to Iowa City again this year! Stay tuned to our Facebook page and website, and feel free to add your name to our list by “registering” for this day trip to Kinnick. Please note: This trip is only listed as a FREE program to generate a list until tickets are secured.

ID #14416 10/17 Sa, 6am-6pm 4+ see above Pick Up & Drop Off at WDM City Hall

Adult Coed Touch Rugby

An informational meeting/open play will take place on the first Wednesday of each session at 6:15pm. At this meeting, we will explain the team organization process and answer questions about the league. We will also allow time for open play. All teams are required to have one woman playing on the field at all times. Please bring a light and dark shirt or reversible jersey. Teams will be determined by ability and teammate preference. There will be a minimum of 10 games played in the 5-week season. Games last approximately 15 minutes.

*Babysitting by the Des Moines Rugby League is available for an extra $5

ID #12584 8/19-9/16 W, 6:15-8:45pm 18+ $20 DM Rugby Club (120 39th St, WDM)

Yoga with Jayla

There is a great need in the world today for stress management. Most people suffer from a tremendous amount of stress and pressure due to the demands of their jobs/careers/lives. Yoga with Jayla is a Yoga Workshop for people of the community so that they can reap the various benefits of yoga.

It has been medically proven that yoga releases stress and tension from the nervous system, and this in turn enhances a person’s ability to cope with the increasing pressures of modern day living. Yoga does this by providing deep relaxation to the body and the mind through its ancient breathing techniques and physical postures/exercises. So what are you waiting for? Let’s get started sharpening your mind, body, and soul! To keep up to date on classes visit www.facebook.com/yogawithjayla.

M & Th, 6-7pm; Sa & Su, 10-11am

Craft Craze Classes
Are you looking to get out of the house and get your creative juices flowing? If so, you may want to sign up for a Craft Craze Class. During each class you will leave with a finished or nearly finished item great for decoration or for gifts.

Pumpkins Two Ways
We will make two decorative pumpkins out of household items - one from a used book and one from mason jar lids. You will leave with two rustic decor pieces perfect for a mantle or centerpiece.

ID #14135 10/14 W, 5:30-7pm 16+ $15 Nature Lodge

NEW Sugar Cookie Bath Bombs
We will make three sugar cookie scented bath bombs that can hang on your tree as ornaments or be given away as gifts.

ID #14136 12/6 Su, 1-2pm 16+ $15 Nature Lodge

Poker Skills
This class focuses on beginning players, giving them more tools to hone their skills and strategy. We will discuss mathematical calculations, "tells" and more, sharpening the mental maneuvering required to win. Each class will begin with a brief discussion of poker's rich history, the lessons of its most esteemed players, and some of the theories and strategies that have emerged over time. We'll then devote the majority of the class period to practice in both ring and tournament style play. Please note that this class is intended to teach technique only, and NO real money will be on the table.

ID #14188 9/15-10/20 T, 6:30-8:30pm 18+ $20 Nature Lodge

Archery for Adults
If you are a stay at home parent, senior or just looking for a chance to try archery, come to the Raccoon River Archery facility for this program. We have the equipment, so come and try it out.

ID #14407 8/26 W, 10-11am 18+ $3 Archery Facility
ID #14409 9/30 W, 5:30-6:30pm 18+ $3 Archery Facility

To register visit www.wdm.iowa.gov/ParkRecReg or call 515.222.3444
**Coed Badminton Open Gym**

**Zumba Fitness**

Perfect for everybody and every body! Each Zumba class is designed to bring people together to sweat it on. We take the “work” out of workout by mixing low and high intensity moves for an interval-style, calorie-burning dance fitness party. Zumba is a total workout, combining all elements of fitness-cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

**Instructor:** Eva Otanez

**ID #** 14097 9/2-10/8

*Punch Card Option: 10 classes for $60 Purchase at the Activity Center*

**Volleyball & Basketball Open Gym**

Volleyball and Basketball Open Gym will be offered at the MidAmerican Energy Company RecPlex beginning in January. Please look for more info to come.

**Auditioning Workshop**

Iowa Stage Theatre Company Artistic Director Matt McIver leads students in cold readings and feedback designed to improve the chances of getting the role. Students are also invited - but not required - to prepare a monologue to present in the class.

**ID #** 14114 9/12

**Basic Acting**

Drawing largely on the work of master acting teacher Sanford Meisner, yet also including the instructor’s own insights and exercises culled from decades of acting and acting education, this class gives the new actor a solid basis of acting training - and some fun and surprises too!

**ID #** 14184 9/26-10/17

**Writing for Stage and Screen**

From opening moments through to the hush of a final fadeout, writers of the drama and their audiences want the very same thing: the thrill of a great story well told. This class helps you structure your stage or screen story for maximum impact.

**ID #** 14185 9/26-10/17

**Advanced Acting**

Already have some acting experience, onstage, on-screen or in class? This class will give you the opportunity to stretch in monologues and scenes chosen by you and/or your instructor.

**ID #** 14186 10/24-11/14

**Acting Shakespeare**

The world’s greatest playwright is also the world’s greatest teacher of actors - even from 400 years away! Instructor Matt McIver leads students through the clues in Shakespeare’s text, clues that are there to help the actor bring the Bard to exciting life.

**ID #** 14187 11/14

ADULT ATHLETIC LEAGUE TEAM ACCEPTANCE POLICY
The Adult Athletic League Team Acceptance Policy applies to all adult athletic leagues. The order of priority is as follows:
1.) Returning Teams = Teams having at least 51% of last season's roster.
   A.) Teams who participated in the league the previous season.
   B.) Teams who participated in the league the previous year.
   C.) Teams may be placed in another division by the Parks and Recreation Department to equalize competition.
2.) New Teams = Teams that did not participate in the league the previous season or year.
3.) Late Teams = Any team that does not meet the established deadlines will be accepted at the Department's discretion. If more teams apply than we have space for, priority will be given to teams with the highest percentage of players on their roster residing within the city of West Des Moines School District in all cases except softball and kickball, where City boundaries apply.

CORPORATE SPONSOR HONOR ROLL
We would like to say “Thank You” to the sponsors and advertisers of the Adult Sports programs. We encourage you to support them.

• COCA COLA
• AWARDS PROGRAM SERVICES

THANK YOU!

REGISTRATION STARTS ON TUESDAY, AUGUST 11, AT 8AM

Madison County and MORE!
Enjoy a day “out and about” as we take in some of the scenes of Madison County. First we’ll travel to Winterset to pick up our step-on guide. We’ll visit five of the unique bridges Madison County has to offer, including a tour of John Wayne Birthplace & Museum. We will enjoy a delicious lunch downtown, with free time to shop on the Historical Square. After departing downtown, we will head to Bare Bison Ranch for a tour. Our last stop will be at Howell’s Tree Farm and Dried Florals. There is usually something for everyone in their gift shop! Enjoy this day out, just south of the metro!
ID #14516 9/22 T, 7:30am-5pm 55+ $69 Valley West Mall (SE corner)

Celebration Belle Through 2 Lock and Dams
Enjoy the scenic fall colors as we cruise downriver and enjoy all of the wonderful food and live entertainment along the Mississippi River to the historical town of Muscatine. We’ll board the largest luxury excursion vessel on the upper Mississippi River and take in breathtaking views. As if that weren’t enough to tempt you...our day will also include sticky rolls and fruit as the cruise departs, a full hot lunch buffet, and a snack in the afternoon! Prepare yourself for a fun, relaxing day on the river.
ID #14413 10/21 W, 7am-7pm 55+ $99 Valley West Mall (SE corner)

Holiday Lights Tour
Join us for a relaxing evening, sure to put you into the Holiday Spirit! First we will travel to Altoona to view the “Jolly Holiday Lights” display. Please note our departure is from the Nature Lodge at Raccoon River Park where our warm motor coach will play festive Holiday music en route. Upon our return, we will be treated to hot cider and light snacks, featuring some LIVE local entertainment.
ID #14415 12/8 T, 5-8pm 55+ $15 Nature Lodge

WDM Parks & Recreation Department Waiver and Release of Liability

In consideration of my own or my child’s participation in the Parks and Recreation (hereinafter referred to as “P&R”) program or activity through the City of WDM, Iowa (hereinafter referred to as “City”), we hereby release the City, its officials, employees, representatives, and agents from any and all accidents, injuries, damages, or losses received by my child or myself through the P&R program that have not been caused by negligence attributable to the City. I also agree and acknowledge that the City is not responsible for any intentional or reckless actions of the City’s officials, employees, representatives, and agents since those actions are the sole conduct of the responsible individual(s). I further agree and acknowledge that this release of liability is full, complete, and comprehensive, and it covers all accidents, injuries, damages, or losses, known or unknown, and any and all costs related thereto arising out of or otherwise related to my child’s participation or my own participation in programs or activities, and that this release is binding upon our heirs, successors, and assigns.

We certify that my child and/or myself has received a proper physical examination within the past year and that we are physically able to participate in all P&R activities. We understand that it is our obligation to timely inform P&R of any restrictions or limitations regarding our physical abilities. We also understand that it is our obligation to follow all regulations and rules set forth by P&R in the performance of the activities. We hereby release, indemnify, and hold harmless the City, its officials, employees, representatives, and agents from any and all claims, settlements, and judgments, including all reasonable investigative fees, attorney’s fees, and court costs for any injury, damage, or loss, which is due to or arises in whole or in part due to negligent, reckless, or intentional actions taken by my child or myself.
