## Detailed Notice of Privacy Practices

**Purpose of This Notice:** This Notice describes your legal rights, advises you of our privacy practices, and lets you know how West Des Moines EMS is permitted to use and disclose PHI about you.

### **Uses and Disclosures of Your PHI We Can Make Without Your Authorization**

West Des Moines EMS may use or disclose your PHI *without* your authorization, or *without* providing you with an opportunity to object, for the following purposes:

***Treatment.*** We can use your PHI for treatment provided to you by us and other medical personnel (including doctors and nurses who give orders to allow us to provide treatment to you). We may also share your PHI with other individuals involved in your care. For example, we may share PHI via radio or telephone to the hospital or dispatch center as well as provide the hospital with a copy of the record we create in the course of providing you with treatment and transport. We may also share your PHI with other healthcare providers for their treatment activities.

***Payment.*** We may use and disclose your PHI for any activities we must undertake in order to get reimbursed for the services that we provide to you. This includes such things as organizing your PHI, submitting bills to insurance companies (either directly or through a third party billing company), managing billed claims for services rendered, performing medical necessity determinations and reviews, performing utilization reviews, and collecting outstanding accounts. We may also disclose PHI to another healthcare provider or entity for the payment activities of the provider or entity that receives the PHI (such as your hospital).

***Healthcare Operations.*** We may use or disclose your PHI for things such as quality assurance activities, licensing, and training programs to ensure that our personnel meet our standards of care and follow established policies and procedures, obtaining legal and financial services, conducting business planning, processing grievances and complaints, creating reports that do not individually identify you for data collection purposes, fundraising, and certain marketing activities. We may also disclose your PHI to another healthcare provider (such as the hospital to which you are transported) for the healthcare operations activities of the entity that receives the information as long as the entity receiving the information has or had a relationship with you and the PHI pertains to that relationship.

**Reminders for Scheduled Transports and Information on Other Services.** We may contact you to provide you with a reminder of any scheduled appointments for non-emergency ambulance and medical transportation, or for other information about alternative services we provide or other health-related benefits and services that may be of interest to you.

**SUD Treatment Information.** We may receive or maintain substance use disorder ("SUD") treatment records that originate from certain programs or activities related to substance abuse education, prevention, training, treatment, rehabilitation, or research that are protected under 42 C.F.R. Part 2 ("Part 2 Program"). If we receive or maintain your records from a Part 2 Program pursuant to a general consent that you provided to the Part 2 Program authorizing use and disclosure of your Part 2 Program records for purposes of treatment, payment, or health care operations, we may use and disclose those records for treatment, payment, and health care operations as otherwise described in this Notice, subject to the same rights, restrictions, and protections. If, however, we received or maintain your Part 2 Program records pursuant to a specific written consent that you provided to us or to another third party, we will use and disclose those records only to the extent expressly permitted by that consent. Any SUD record protected health information that was disclosed may be subject to redisclosure. We will not use or disclose your Part 2 Program records, or testify or provide evidence describing the information contained in those records, in any civil, criminal, administrative, or legislative proceeding conducted by any federal, state, or local authority against you, unless such use or disclosure is expressly authorized by your written consent or by a court order issued after notice to you.

- ❖ For workers' compensation purposes, and in compliance with workers' compensation laws;
- ❖ To coroners, medical examiners, and funeral directors for identifying a deceased person, determining cause of death, or carrying on their duties authorized by law;

### **Uses and Disclosures of Your PHI That Require Your Written Authorization**

Any other use or disclosure of PHI, other than those listed above, will only be made with your written authorization. You may revoke your authorization at any time, in writing, except to the extent that we have already used or disclosed medical information in reliance on that authorization. Specifically, we must obtain your written authorization before using or disclosing your: (a) psychotherapy notes, other than for the purpose of carrying out our own treatment, payment or health care operations purposes, (b) PHI for marketing when we receive payment to make a marketing communication; or (c) PHI when engaging in a sale of your PHI.
